# §157.302 Applying for an exemption or requesting modification of an exemption.

(a) Each application for an exemption or modification must be in writing and submitted to the Commandant (G–MOC), U.S. Coast Guard, Washington, D.C. 20593–0001.

(b) Each application for exemption must include the following: (1) The name and official number of the vessel for which the exemption is requested.

(2) A list of each port or place where

the vessel would load cargo.

- (3) The name, address, and telephone number for each shore-based reception facility at each port listed under paragraph (b)(2) of this section where the vessel would discharge its ballast water and cargo residues, including:
- (i) The name or title of the person at each facility who should be contacted for information concerning the operation of the reception facility; and
- (ii) A statement from the facility owner disclosing whether or not, based on current operating conditions, the facility has the capability of processing the anticipated volume and type of discharges from the vessel without adversely affecting the service of the facility to current users.
- (4) The number of the permit under the National Pollutant Discharge Elimination System (NPDES permit) issued to each listed shore-based reception facility.
- (5) A list of each type of oil cargo that the vessel would load.
- (6) A description of the method by which the vessel would discharge ballast water and cargo residues to each listed shore based reception facility.
- (c) Each request for modification to an exemption must include the following:
- (1) The name and official number of the vessel for which the modification to the exemption is requested.
- (2) The reason for requesting modification of the exemption.
- (3) Any additional information which is pertinent to the modification.

#### §157.304 Shore-based reception facility: standards.

No shore-based reception facility may be listed to meet §157.302(b)(3) unless that reception facility has:

(a) A valid NPDES permit which allows it to process the ballast water and cargo residues of the vessel for which the exemption is being requested; and

#### § 157.306

(b) The capacity to receive and store a volume of dirty ballast water equivalent to 30 percent of the deadweight, less the segregated ballast volume, of the vessel for which the exemption is being requested.

#### §157.306 Granting, denying, or modifying an exemption.

- (a) The Assistant Commandant for Marine Safety and Environmental Protection issues a written decision concerning the grant or denial of each exemption or modification requested under §157.302.
- (b) If the exemption or request for modification is denied, the decision under paragraph (a) of this section includes the reasons for the denial.
- (c) Any person directly affected by, and not satisfied with, a decision made under paragraph (a) of this section may appeal that decision, in writing, to the Commandant (G–MOC), U.S Coast Guard, Washington, DC 20593–0001. The appeal may contain any supporting documentation or evidence that the appellant wishes to have considered.
- (d) The Commandant, U.S. Coast Guard issues a ruling after reviewing the appeal submitted under paragraph (c) of this section. This ruling is final agency action.

[CGD 79-126,46 FR 3513, Jan. 15, 1981, as amended by CGD 88-052, 53 FR 25122, July 1, 1988; CGD 96-026, 61 FR 33668, June 28, 1996; CGD 97-023, 62 FR 33364, June 19, 1997]

#### §157.308 Revocation of exemption: procedure and appeals.

- (a) The Officer in Charge, Marine Inspection may consider the revocation of the exemption granted under this subpart when:
  - (1) Requested by the vessel's owner;
- (2) There is evidence that the vessel's owner, operator, or master has failed to comply with the requirements of this subpart; or
- (3) There have been changes to the NPDES permit of a reception facility listed to meet §157.304(b)(3) that would adversely affect the ability of that facility to process the vessel's discharges.
- (b) The Officer in Charge, Marine Inspection, of the zone in which an occurrence under paragraph (a)(2) or (a)(3) of this section takes place notifies the

owner, operator, and master of the exempted vessel of the specific reasons for considering the revocation of the exemption.

- (c) Evidence or arguments for the retention of the exemption that are submitted to the Officer in Charge, Marine Inspection within thirty days of receipt of the notice under paragraph (b) of this section will be considered before a ruling is made.
- (d) If the owner is not satisfied with the ruling made under this section by the Officer in Charge, Marine Inspection, that ruling may be appealed under the procedure in §157.06 of this part.

#### § 157.310 Exempted vessels: operations.

The owner, operator, and master of each vessel that has been granted an exemption under this subpart must ensure that:

- (a) The vessel trades only between ports or places within the United States, its territories or possessions;
- (b) The vessel loads cargo only at ports or places listed in the exemption;
- (c) Except as allowed under §157.41 (a) and (b) of this part, any ballast water, except segregated ballast discharged in accordance with §157.43(b) of this part, and any tank washing or cargo residues are:
  - (1) Retained on board; or
- (2) Transferred to a shore-based reception facility that is listed in the application for exemption, or in the case of an emergency or a shipyard entry, an alternative acceptable to the cognizant Officer in Charge, Marine Inspection;
- (d) The vessel loads only those cargoes listed in the exemption; and
- (e) The letter under §157.306 that grants the exemption is on board the vessel; or
- (f) The certificate of inspection bearing the following endorsement is on board the vessel:

Exempted under 33 CFR 157.306 from the requirements of (33 CFR 157.10a or 157.10c, whichever is appropriate, will be inserted). This vessel may not discharge cargo in any foreign port, nor may it load cargo in a port other than the following: (a list of ports contained in the application that is accepted by the Coast
